Today's Topic: Conversing with God

The better we understand how to converse with God and how He converses with us, the stronger our relationship will be with our heavenly Father. Communication is an important aspect of every healthy relationship.

Communicating with God, is critical. God converses with us and we converse with Him, it is two-way communication.

Here are ways God communicates with us:

The Bible: The primary way God communicates with us is through His Holy Word. Psalm 119:89 says; *Your word, Lord, is eternal; it stands firm in the heavens.*

God communicates to us through **His Spirit:** When we come to Christ, God Himself comes to live within us by His Spirit.

God speaks to us through **His Son.** God speaks into the heart of a person who is wholly committed to Jesus.

He speaks to us **through Creation.** The earth is fraught with symbolism, metaphors and Divine messages of God's design and sovereignty.

God speaks to us **through others.**

God speaks to us **through circumstances.**

God speaks to us **through supernatural means.**

This is how do we communicate with God:

Prayer, is simply conversation with our Creator. Prayer is our speaking from our hearts... to our heavenly Father.

We communicate with God **through our actions and behavior**. Romans 8:13; *For if you live according to the flesh, you will die; but if by the Spirit you put to death the misdeeds of the body, you will live.*

We communicate with God **through obeying His commands**.

We communicate with God **through praise**.

We communicate with God **through reading and believing God's Word**.
